24 July 2018

The Principal/Head of Institution

Sub: 9th National Teachers Science Congress

Dear Sir/Madam,

National Teachers Science Congress (NTSC) is an initiative of the National Council for Science and Technology Communication (NCSTC), Department of Science and Technology (DST), Govt. of India. It aims at providing a platform to the science and mathematics teachers/educators to communicate their ideas, share new experiments in teaching methodology, science education and enhance their level of scientific awareness.

Vikram A Sarabhai Community Science Centre (VAS CSC) is hosting the 9th National Teachers Science Congress (9th NTSC) during 14-16 December 2018 at Ahmedabad.

The focal theme for 9th NTSC is 'Design literacy for effective science communication by educators'. Papers are invited from teachers/educators who wish to present their innovative and original ideas in science education and communication based on any of the sub themes under the focal theme.

We are enclosing a poster, a brochure containing guidelines for participation and the registration form. Those who are interested may submit their papers along with the registration form so as to reach us latest by 6 October 2018.

You are requested to share this information with the teachers and encourage them to participate. This event will be an enriching experience for the participants. More information is available on the website: www.ntscindia.in

We look forward to your cooperation in encouraging motivated and innovative teachers to participate in this strategic national event for the teaching community.

Yours sincerely,

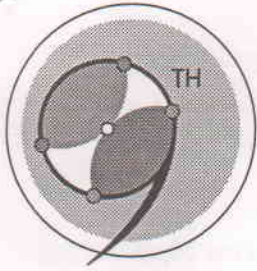

Dilip Surkar
Executive Director, VAS CSC
